

De La Salle College

ADMISSIONS POLICY

From its foundation in 1917, De La Salle College, Jersey has developed to provide a Catholic and Christian education for those families who desire it. We have always opened our doors to pupils of other denominations and indeed the College was ecumenical before ecumenism featured in the priorities of the Christian Church.

De La Salle College PRIMARY SCHOOL ADMISSIONS

There are currently **three usual points of entry** into the Primary School of the College:

Pre Reception - Pre Reception Class - i.e. entry aged 3 by 31st August

Key Stage 1 - Reception Class - i.e. entry aged 4 by 31st August

Key Stage 2 - Junior Phase - Year 3 - i.e. entry aged 7 years by 31st August.

Procedure

Following completion and subsequent acknowledgement of a Registration form, the next step is the Interview. Parents will be contacted prior to the end of January in the academic year preceding their son's proposed date of entry. A meeting between them and the Head of Primary School will be arranged at a mutually convenient time. As part of the interview process the Headmaster will escort prospective parents on a tour of the Primary School.

Priority Entry Criteria for De La Salle College Primary School:

- Applicants are given priority if they fall into one of the following categories:
 1. Boys from practising Catholic families.
 2. Boys who have a brother attending De La Salle College in the coming September or have had a brother(s) attending De La Salle College in the past.
 3. Boys who have a sister attending Beaulieu Convent in the coming September or have had a sister attending Beaulieu Convent in the past.
 4. Boys who have attended FCJ (**applicable to registrations at KS2**)
 5. Boys whose father attended De La Salle College.
- If there are places remaining, consideration will then be given to those who do not satisfy any of these criteria. In this group, we will refer to the date of registration.

Following this interview we will notify prospective parents of our decision. Parents of boys with Educational Needs may be asked to attend a further interview to assess whether De La Salle can provide appropriate support before a decision is made.

When all the places have been filled, those candidates who have not been successful will, if the family so wishes, be placed on a waiting list.

For admission to classes other than Pre- Reception, Reception and Year 3 an offer of a place depends on whether there is a vacancy in the appropriate year group.

- The Headmaster will notify prospective parents of such vacancies in the early part of the summer term preceding entry.
- When vacancies are not available applications are carried forward year by year until selection at secondary level.

De La Salle College – SENIOR SCHOOL ADMISSIONS

Choosing a senior school can be a daunting prospect. We recognise that it is vitally important that you choose the right school for your son. To ensure this is a positive process the Headmaster and Senior Management Team will begin a dialogue with prospective parents and their son. We hope to be able to get to know you and your son well, to assess whether his needs and aspirations fit best with what we can offer.

Entry requirements

De La Salle Senior School takes boys of all abilities and there is no entrance examination.

Boys who already attend De La Salle primary school will be given an opportunity to attend an open evening four terms before the due entry date. Following this, an unconditional offer of a place will be made at De La Salle Senior School.

In order to gain admission to De La Salle Senior School for **boys from external primary schools** we request that parents complete the Registration form.

Procedure

Following completion and subsequent acknowledgement of a Registration form, the next step is the Interview which will be arranged at a mutually convenient time by the Admissions Officer. Entry interviews will generally be scheduled three terms before the proposed date of entry. Parents will be asked to provide us with their son's two most recent school reports and a sample of recent written work. As part of the interview our Admissions Officer will escort you and your son on a tour of the Senior School.

The entry interviews provide us with an opportunity to get to know your son and yourselves, and they provide you with an opportunity to find out about De La Salle College.

Following this interview we will notify prospective parents of our decision. Parents of boys with Educational Needs may be asked to attend a further interview to assess whether De La Salle can provide appropriate support before a decision is made.
