Required for September 2017

Teacher of MATHS

Main Professional Scale

De La Salle College is a 3-18 Boys' Independent day school housed in historic buildings overlooking Jersey's principal town of St Helier. We are seeking to appoint a highly motivated teacher of Maths to teach throughout the secondary school including A Level. Whilst the position is open to experienced teachers, we also encourage applications from those new to the profession.

An Application Form and further information can be downloaded from our Website Home Page (www.dls-jersey.co.uk) and clicking the 'About us' drop down and then the 'Job Vacancies' link. Completed Application Forms should be returned to our Recruitment Consultant at 'director@adeoci.com' (from whom further information can be obtained) by noon on Monday 19th June.

De La Salle College is committed to safeguarding and promoting the welfare of children. Screening including a DBS check is routinely carried out on successful applicants. Our Safer Recruitment Policy can be downloaded from the 'Employment' page of our website.

The College values diversity and welcomes applications from all sections of the community.

A Christian Education with excellence
