De La Salle Primary School is a thriving and happy school of 220 pupils, part of De La Salle College, a 3-18 Boys' Independent day school established within the context of the Christian faith. Our intake draws from a wide range of abilities and we pride ourselves on our capacity to get the best outcomes for all of our boys. We have a strong and supportive Christian ethos which ensures positive relationships between the boys and with staff. We understand the importance of reinforcing positive attitudes and behaviours, along with clear and consistent steps to challenge and encourage boys to make the right choices.

At De La Salle we believe in close communication with the parents and the successful candidate would use the school's pastoral procedures to ensure the highest standard of learning.
