

DE LA SALLE COLLEGE

JERSEY JE2 7TH

www.dls-jersey.co.uk

Required for September 2018

Teacher of Science (Chemistry)

Salary range: £38,296 - £50,017

De La Salle College is a 3-18 school established within the context of the Christian faith and housed in historic buildings overlooking Jersey's principal town of St Helier. We are seeking to appoint a Science specialist with the skills to teach the sciences throughout the school and Chemistry to A Level. Whilst the position is open to experienced teachers, we also encourage applications from teachers new to the profession.

An application form and further information can be downloaded from our Website Home Page (www.dls-jersey.co.uk) and clicking the 'About us' drop down and then the 'Job Vacancies' link.

Completed Application Forms and a covering letter should be returned to our Recruitment Consultant at 'recruitment@dls-jersey.co.uk' (from whom further information can be obtained) by Friday 27th April.

De La Salle College is committed to safeguarding and promoting the welfare of children. Screening, including a DBS check is routinely carried out on successful applicants. Our Safer Recruitment Policy can be downloaded from the 'Employment' page of our website.

The College values diversity and welcomes applications from all sections of the community.

A Christian Education with excellence
