# Personal Tutor

- For added support, alongside the Supervised Study which we can offer, we can assign your son a personal tutor.
- Meet once a week.
- Discuss and track work, study and progression.
- Was very beneficial for a number of students last year.

# BTEC Courses

- For your information **All** assignments will **continue** to contribute towards the final qualification.

# More than one Post-18 application

- Many students who are uncertain or wish to keep their options open, complete more than one application. For example: Highlands and UCAS; Jersey International Business School and finance career

# Career /Enrichment

- We have already questioned boys who do not want to go to University about possible career considerations.
- We hope to try and facilitate relationships and opportunities for your son to shadow business's in industries he may be interested in.
- If not he may decided to complete some vocational work which maybe beneficial for his CV.
