

De La Salle Summer Holiday Camp

The De La Salle Summer Holiday Camp has been created exclusively for De La Salle students in years 5 - 10.

The morning sessions are based at De La Salle College and include activities such as capture the flag, trampolining, football, cricket, table tennis and dodge ball.

During the afternoon sessions, we make the most of Jersey's excellent beaches, with optional activities such as surfing, stand-up paddle boarding, swimming, inflatable rides, beach games/ beach sports and boating adventures with Jersey Seafaris.

All activities are optional and a variety of beach activities will be provided to those who do not fancy any particular main activity on the day.

The hours of the school holiday programme are 8am to 5pm. All students will need to make their own transport arrangements in order that they are at De La Salle College anytime between 8am and 10am. The students can be picked up from De La Salle between 3:30pm and 5pm or alternatively you can arrange for your son to leave from the afternoon activity location.

Please note that afternoon activities are subject to change as the activities providers will choose an activity that best suits the weather conditions on the day.
