### Instructions:

Go to your normal lessons Periods 1, 3 and 5.

You will stay in that room for the next lesson as you will be sitting the specified exam during the double lesson.

The exam will start to ensure it is completed by the end of Periods 2, 4, 6. Extra timers will start early so that all students end at the same time.

**Take some revision with you**, there may be some time available before the exam starts for a last minute top up.

### Top tips before the exam

- Do some revision
- Have all of your equipment ready
- Ask your teachers for any help on topics you are not sure about

### Top tips during the Exam

- Read through the paper first.
- Organise the order in which you will answer the questions.
- Generally, there will be approximately 1 mark per minute.
- For any exam where you are required to write extended answers: make your **Point**, provide some **Evidence** to support your point, **Explain** your reasons for making the point, **Link** to the next thing you are going to write about.
- Pay attention at all times to **Spelling Punctuation and Grammar**. Every sentence starts with a CAPITAL letter and ends with a full stop.
- If you finish within the time allocated; read through the paper checking for spelling and punctuation. Does each sentence make sense?
